**WE ARE
MACMILLAN.
CANCER SUPPORT**

26 April 2010

Dear Barbershop In Harmony,

Thank you very much for your wonderful donation of £20,000 and your support of Macmillan. Macmillan's partnership with the Barbershop singing groups of the UK in 2009 has been an outstanding success and we've had some fabulous fundraising efforts throughout the year! Your wonderful generosity is helping Macmillan to provide the expert information and support that people affected by cancer want and need, and achieve our ambition of improving the lives of everyone living with cancer in the UK, no matter who they are or where they live.

According to new research there are now two million people across the UK living with cancer. We are rapidly expanding our services across London to reach this growing number of patients, their carers, families and community networks who need our help, in addition to shaping the future of cancer care. A couple who recently visited a Macmillan Information and Support Centre said:

"We both found the Macmillan representatives very helpful, kind and informative and their manner very sympathetic without being patronising. We have spoken to Macmillan staff at a number of hospitals and have always thought they provide the human link that is often missing from the traditional doctor/patient relationship."

Working together with Barbershop singing groups across the UK in 2009 has been a pleasure and we will be pleased to help you promote Barbershop singing wherever we can in the future. Do not hesitate to contact me on the number below if you have any further queries. Thank you once again for your generosity and confidence in our work.

Very best wishes,
